Inspiring Memorial Service

A Memorial Day Service which has lost nothing of its solemn significance, and sympathetic participation was held in the Memorial Hall Sunday evening with a capacity audience in attendance.

The Hall of which all Strathmorters are justly proud was very artistically and appropriately decorated by Mrs. H. Willson and Mrs. I. MacKenzie.

Music was furnished by the combined choirs with Mrs. Alice May as pianist.

At the door a group of Boy Scouts passed out the printed service forms and ushered everyone to seats.

The stage setting was very effective with a profusion of wreaths of cedar and poppies, red, white and blue.

Edward Fawkes Passes

The Namaka community was greatly saddened last Tuesday evening when they learned of the accidental death of Edward Ian Fawkes in Edmonton.

Edward was born in Namaka on October 15, 1928. He obtained all of his education in the Namaka School and had been employed in farm work for the past two years.

Two weeks before his death he had gone to Edmonton with his uncle, Ruben Watts. They both found positions in stores. Edward was a delivery boy for Tait's Grocery. He was returning back to the store when he was accidentally struck by a trolley bus. An ambulance arrived and he was taken to the University Hospital but was pronounced dead on arrival.

Edward was well liked by everyone in the community and will be sadly missed by all who knew him so well.

He leaves to mourn, his mother and father and 3 brothers, Richard, George and Robert and four sisters, Mary, Dorothy, Gwendolyn and Joan. His grandmother, Mrs. Watts and his grandparents in England as well as many other uncles, aunts and cousins. The funeral took place in Strathmore last Friday. The pallbearers were Harold Wooster, Chester Peterson, Myron Hanson, Ronnie Kernack, Nick and Henry Boeschman.

The burial took place in Strathmore Cemetery.

Melness and Holloway were in charge of arrangements.

Impressive Service at Cenotaph Monday

The Annual Service of Remembrance was very impressive and attended by a larger number than in previous years.

A parade of veterans of World Wars I and II, Strathmore School Cadets (girls and boys) headed by the Band marched from the Curling Rink to the enclosure at the Cenotaph, where they were met by Rev. A. A. Hamilton, who conducted a short but impressive service. Stressing the need for World Unity the speaker asked that the United Nations in Conference be guided by the Spirit of God and so achieve a world freed of present iniquities.

Cpl. Mott raised the Flag after the two minutes silence was observed and a member of the Band played The Last Post and Reveille.

Wreaths were placed as follows: President C. E. Way, for the Legion; Mayor T. S. Hughes for the Town; Mrs. G. H. Patrick for Red Cross; Mrs. J. Crellin for Sorosis Society; Cpl. S. L. Mott for Province.

The Band played God Save the King ending a very impressive ceremony.

LIONS CLUB MEETING

A large group of Lions gathered in the Memorial Hall last Thursday for the regular meeting, and enjoyed a fine dinner served by Messrs. Al Peck, G. B. Anderson, H. Woldum and C. A. MacLean.

A most interesting feature of the meeting was the talk given by Roy P. Thompson, secretary of the Canadian National Institute for the Blind. Mr. Thompson, who engaged the attention of each of his listeners, gave a very comprehensive talk describing the work now being done by many of the blind, the training they go through, the help they are given, and various other phases in connection with their carrying on.

Following Mr. Thompson's talk, a turkey, donated by the C.N.I.B. by Mrs. Charles Harvey, was raffled among the members, and netted the sum of nine dollars. It was won by Rev. D. A. Ford.

Drummond, Scheer, Third in Canada Potato Meet

Announcement was made early this week of winners in the Dominion Junior Potato Club competition held at Toronto in conjunction with the annual exhibition there.

In the seed potatoes event, third prize won by John Scheer and David Drummond of Strathmore.

This is a particularly noteworthy achievement for the two local boys, as it is the first year the local club had been formed, and also the first year in which they had entered the competition. The two lads, only a month previously, took first place in the Alberta provincial meet.

Inasmuch as they were up against very stiff competition from such provinces as P.E.I., New Brunswick and British Columbia, all good potato areas, taking third place speaks very well for the work done by these boys.

In the Strathmore Junior Potato Club, which was organized a year ago by R. J. Milligan, District Agriculturist.

SMALL BLAZE AT STRATHMORE HOTEL

Residents of Strathmore were rudely routed out of homes and beds late Monday night when the fire bell rang somewhere in the neighborhood of 11:15 p.m.

Gordon Voutier, a resident in the Strathmore Hotel, was awakened by the smell of smoke, and was first to discover a small fire under the counter in the bar of the hotel. Since the door was locked, he warned Jack Bremner, head barman, but in the meantime, Constable P. Wilkinson had

broken in the door, and was applying pyrene extinguishers.

Shortly afterwards the fire brigade arrived, and headed by Fire Chief James Swanson, and aided with their chemical extinguishers. The fire was all over by 11:30, but crowds of residents found the upstairs rooms too smoky for sleeping for some little time. Little damage was done to the hotel, and no stock was lost through the blaze.

Crowds of watchers gathered by its magic, even at the late hour, so that the previously dull corner looked like a centre of real activity. As the fire was brought under control, however, they dispersed to their homes, feeling safer that it would not spread.

LEGION HOLDS ARMISTICE SOCIAL

A large group of Legionnaires and their friends gathered in the Memorial Hall on Thursday evening for an Armistice social event. The guests were welcomed to the meeting by President C. E. Way.

Mr. Way gave special welcome to Mr. Benny Groux, stage manager of the Palace Theatre, Calgary, who had volunteered to come down and make suggestions as to the requirements for the stage of the hall, and to three old time members of the branch, Messrs. W. S. Paterson, George Kearns and Rev. T. B. Winter.

A short program of music, singing, and conluring by a concert party from Calgary followed, and after this the group were well entertained by films

of the National Film Board exhibited by Mr. Jack Crellin.

After the meeting broke up, an informal sing-song was held around the piano when Jack Bremner and L. R. Aitkens kept the piano going.

Mrs. Polley had just finished telling the story of the Pilgrims to a class of small children. "Now, Jeannine," she began, "when the Pilgrims had been here a year and had gathered in their good crops, what did they do?"

"Bought a new car," promptly replied Jeannine.

Mrs. Hilton: "Don't drive so fast Leonard."
Len: "Why not?"
Mrs. H.: "That policeman on a motor cycle behind us can't get by."

The soprano seeking an engagement was finding the booking agent a trifle dubious.
"How many years in grand opera did you say?" he queried.
"Forty."

Dewey Feels Kindly Towards Canadians

NEW YORK—Gov. Thomas E. Dewey of New York, 41-year-old son of a Michigan weekly newspaper editor, today probably stands closer to the presidency of the United States than any other man except President Harry Truman himself.

He is in the position by virtue of his record-breaking majority in Tuesday's elections when he overcame powerful opposition from metropolitan New York City to win re-election as governor of the state with the greatest majority ever recorded.

Gov. Dewey won his first fame when as New York's special prosecutor, he successfully waged a fight against well-entrenched gangster mobs, and beat them.

Gov. Dewey is a good friend of Canada and Canadians, and has personal experiences in that country which left pleasant memories.

He is on record as favoring an alliance of the English speaking peoples for the good of the whole world, as a result of his support of such an arrangement at the Republican party's post-war advisory council meeting at Mackinac, Mich., in 1943.

After his defeat in 1944 he declared himself against the isolation and asked his followers to give President Roosevelt their full co-operation.

He said Americans were determined there would be no third world war. "This time must be the last time," he said.

the bride, sang "I'll Walk Beside You" In rooms decorated with pink and white streamers, candle-lit tables were set for eighty guests. A three-tiered wedding cake flanked by mauve and white chrysanthemums centred the bride's table. A lovely full-course turkey dinner prepared by Mrs. P. Busmann was served by Miss Pearl England, Miss Pat Long, Mrs. D. Busmann, Mrs. Doris Stephensen, Miss Shirley Horton, Miss Vera Butlin, and Miss Dorothy Molins.

For the occasion the bride's mother chose a black crepe dress with lace sleeves trimmed with dusty rose ribbon and wore a matching corsage of roses. Mrs. Davidson, mother of the groom, chose a black two-piece dress edged with fine corded silk and wore a corsage of red roses.

Later in the evening the bridal couple left by car for their honeymoon in the mountains, the bride donning a fuchsia colored wool dress topped by an oyster-shade coat with black accessories and had a matching corsage of roses.

Langdon Social Evening For Mr. Aldridge

By G. E. W.

The regular meeting of the W. A. was held on Wednesday in the hall when there were 18 members and 1 visitor present. A busy afternoon was held and six pair of children's overalls were bought for the November objective. A library has been started amongst the members, each member is to bring a book or more for the benefit and pleasure of others. This seems to be getting away to a good start and more will be done at the Annual meeting next month. It was also moved to have a bulletin board placed in the store, for the latest news of the W. A. This is to keep those members who were unable to be present at the last meeting so that they will be posted up to date with the latest news. The next meeting will be held on December 4th this being the Annual meeting and election of officers, and is hoped a good attendance will turn out. A very tasty lunch was served by the hostesses, Mrs. Duntain Mrs. Brander and Mrs. Dain. The roll call was an amusing incident, and it was an amusing half hour, answered by almost everyone.

Mrs. George Whitney entertained 12 dinner guests on the occasion of her husband's birthday November 6th.

After dinner cards were enjoyed the Ladies high score being won by Miss Alice Hall, and the low by Mrs. Jack Bates, Gents high, Mr. Geo Whitney and low Mr. W. Braden.

Mrs. Frank Thomas left on Friday of last week for two weeks holiday at the coast visiting her sisters. Also Mr. and Mrs. Carl Weststrom left the same time for a visit with their married daughter. While there they will visit with old friends from Langdon.

At the regular meeting of the Home and School on November 5th it was decided to hold a Scotch Auction and Bazaar in the hall on Saturday evening, December 7th. The proceeds of this will go to help the children's Christmas treat. More about this will appear in the news when the committee meets this week.

There was a fairly good attendance last Friday evening when a social evening in honor of Mr. Aldridge and Mr. Hunt was held in the hall. A very nice program of musical selections by the local talent, were enjoyed, after which Mr. Aldridge gave a short address and then turned the meeting over to Mr. Hunt, who spoke of Mr. Aldridge's many years of ministry, and wished him good health to enjoy the work he

likes so well. In the sick in hospital. Mr. Hunt sang a solo "Friend of Mine" accompanied by Mrs. Hunt on the piano. This was enjoyed very much by all. A very tasty lunch and a cup of tea was served and during this time everyone had the opportunity of meeting Mr. and Mrs. Hunt.

Marvin Peterson met with a serious accident a short while ago, when he had the misfortune to fall from a telephone pole while helping to string the wires up. He has hurt his back and will have to wear a cast for some length of time. This is a tough break Marvin, but keep smiling, chin up!

The Remembrance Day service held in the hall on Sunday evening was well attended. Mr. Hunt's address was very much enjoyed, and the young folk helped during the service in group singing.

Kermot Moe left one day last week for a short visit in Edmonton.

Mr. J. Vanderburg and Miss A. Hall were away over the week end for the Armistice Day holiday.

Johnnie Barron was home and will be released from hospital the end of the month.

Mrs. A. Smart had a painful accident one day recently when she ran a silver down her finger. Between Mrs. Scott and herself she managed to get it out—and oh what relief.

"I'd like 11,506,651* others to hear this"

"NO post mortems!" warned Ida, glancing at Ruth. "The game's over. Besides, your husband looks as though he has something on his mind."

"I sure have," said Bill. "Only I'd like the other 11,506,651 Canadians to hear this too. To-day I got hold of some figures that made me proud of the business I'm in. We Canadians now own more than 10 billion dollars worth of life insurance. And payments? During 1945 alone, the companies paid out about 66½ million dollars to widows, children and other beneficiaries. And another 95 million dollars was paid to living policyholders through matured endowments, dividends, disability claims, annuities and cash surrender values. That's what life insurance is doing for us Canadians."

"These life insurance benefits helped to pay off mortgages on homes, start youngsters off to college, settle older people into comfortable retirement. Countless families have thanked their stars for life insurance in time of need. Many, many others who are now building future security through their policies will be glad of it. But I want every living Canadian to realize the importance of Life Insurance."

Every life insurance dollar, while waiting to be paid out to its claimant, is working and growing in the service of the public, creating more jobs and more goods for more Canadians. Of that dollar about 57 cents is now invested in Government bonds, 5 cents is laboring for municipalities, 20 cents is building industries and public utilities from coast to coast, 8 cents is in farm and urban mortgages, another 5 cents is on loan to policy holders, 1½ cents is represented by real estate and 3½ cents is in cash and miscellaneous assets.

Life insurance not only grows in the scope of its protection, year after year, but is continually being employed for socially desirable purposes.

A message from the Life Insurance Companies in Canada and their agents.

THE PUBLIC LIBRARY

Under supervision of the Grade 10 students again this year, the Strathmore Public Library has once again re-opened, and a tea was held on Saturday last to raise funds for operating purposes.

Hours of the library are Wednesday 2:45 - 4:00 p.m. and Saturday 2:00 - 4:00 p.m. and 7:30 - 9:00 p.m. The

Library operates in the Town Hall, and costs for membership are only one dollar per year. There is no charge for borrowing books, which may be borrowed for a two weeks period.

Some of the high school students are developing a list of calls which they will be making in the near future, to enlist more support for the library. It is hoped that they will receive a sympathetic response from the townspeople and that their enterprise will thus be furthered.

Mrs. Andrew Garrett, together with her two children, has arrived in Calgary from Edmonton, after they had secured a suite.

Mrs. J. Robinson, Mrs. Gaylon Robinson, Mrs. George Anderson, Mrs. Charlie Scott and Mrs. Andy Scott were joint hostesses at a very happy miscellaneous shower arranged in honor of Mrs. Lester Jones (nee Anna Mae Crory) and held in the Memorial Room of the United Church, recently.

After a couple of interesting contests in which Mrs. Folk and Mrs. Fred Teare were the successful winners, an abundance of choice refreshments were served from an attractively arranged table at which Mrs. Crory and Miss Frances Jones did the honors.

Following this a large and lovely array of gifts was placed before the honor guest and later passed to all to view.

Mrs. Jones warmly expressed her appreciation to the ladies who had planned the lovely evening, and to everyone for their beautiful gift.

MEMORIAL SERVICE

hunting numerous flags, with the Roll of Honor centering the stage.

The service was ably conducted by Rev. D. A. Ford, Rector of St. Michael's Church and Rev. A. A. Hamilton pastor of Strathmore United Church. Rev. Ford also assisted in the Choir.

A challenging and inspiring sermon was delivered by Rev. Hamilton, who took as his subject:—

"A Little Further"

Reading the chapter where Christ asked:—"If it be possible let this cup pass"—but such could not be and Christ went through Crucifixion to the realm of Victorious Achievement. Jesus struggled, as do many humans who learn that their way to high achievement is by way of "the Cross". The speaker pictured in imagination

tion, the thoughts of some of the men who had fallen in battle and who had crossed over to a land where cold steel, suffering, hunger were unknown; they had gone "a little further"; and they looked back to us to cast aside our petty differences, our jealousies, our unsympathetic attitude to other human beings, to cast aside toiling with "patryisms".

They had gone "a little further" but in that lay a whole world, a whole universe of change.

The differences that separate people are spiritual. One man sees only a world of clay—another a world with the Spirit of God prevailing. When each one sees this Spirit of God in the world then will the new world for which we pray be built.

Mr. Hamilton said: The world is in need of a new vision of God. The speaker stated there are three levels of action for mankind.

Firstly: Instinct, which is the lowest type.

Secondly, duty: Duty done in the most limited way is not on a commendable place but when one reaches out far beyond he is attaining a much higher standard.

Thirdly:—Grace: The level of the Grace of God will link up all men and all peoples.

It requires a desperate effort but is abundantly worth while. A person imbued with this objective will give greatly to the cause and will love greatly.

Patriotism which originally was confined to the family, went on to include the tribe or clan and then country. But we must if we wish to preserve mankind go "a little further" and enlarge our outlook, until it includes all nations and all peoples.
